**Cosmopolitan Cities —**

The continent is home to many great port cities that sit along the shores of the stunning seas and thriving economic centers of business that boast rich histories reaching back thousands of years. ### "The Big 5"

A trip to Africa is not complete without experiencing a wildlife safari. Safaris allow you to get up close to the wild animals where they live and feed. You will be going on the search for the illusive 'Big Five' game: the African lion, leopard, rhino, elephant and the Cape buffalo. They are nicknamed the 'big five' because they are the most difficult animals to catch. On safari you will not only witness a wide variety of wildlife in their natural habitat, but you will also be surrounded by beautiful scenery and stunning landscapes as well.

This extraordinary enriching vacation is for you who want an incredible value — an all-inclusive value to help you write another story of your dreams!
